Dear DTSC GPRA Team,

Attached is the draft Agenda and Attachments for the GPRA Meeting on Thur 8/15 from 930 am -3 pm at 8800 Cal Center Drive.

Can you please provide a projector so we can continue what we started last month?

I have checked the facilities from the upload that took place last night, and attached are the reports for our discussion.

You don't need to print them out we can project on the screen and review that way.

Best regards,
